SPREADING KNOWLEDGE

ITALIAN JOURNAL OF AGRONOMY

Editor-in-Chief: Michele Perniola and Michele Rinaldi, Italy

The *Italian Journal of Agronomy* (IJA) is the official journal of the Italian Society for Agronomy.

It publishes quarterly original articles and reviews reporting experimental and theoretical contributions to agronomy and crop science, with main emphasis on original articles from Italy and countries having similar agricultural conditions. The journal deals with all aspects of Agricultural and Environmental Sciences, the interactions between cropping of sustainable development. Multidisciplinary articles that bridge agronomy with ecology, environmental and social sciences are also accepted.

The *Italian Journal of Agronomy* is available in Scopus, Portico, Ebsco, Thomson, Agricola, DOAj.
